Verify the carryover balance from page to page in your register.

Make sure you have subtracted the service or miscellaneous charge(s) from your register balance.

## WHAT TO DO IF YOU THINK YOU FIND A MISTAKE ON YOUR STATEMENT

If you have authorized your creditor to automatically pay your bill from your checking or savings account, you can stop or reverse payment on any amount you think is wrong by mailing your notice so that the creditor receives it within 3 days before the payment is to be paid.

If you have a problem with property or services purchased with a credit card, you may have the right not to pay the remaining amount due on them if you try in good faith to return them or give the merchant a chance to correct the problem. There are two limitations on this right:

(1) You must have bought them in your home state or, if not within your home state, within 100 miles of your current mailing address; and

(2) The purchase price must have been more than \$50.

However, these limitations do not apply if the merchant is owned or operated by the creditor or if the creditor mailed you the advertisement for the property or services. This is a summary of your rights; a full statement of your rights and the creditor's responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to a billing error notice.

If you think there is an error on your statement, write to us at the address listed on the front of this statement. In your letter, give us the following information:

- (1) Account information: Your name and account number
- (2) Dollar amount: The dollar amount of the suspected error
- (3) Description of problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question. While we investigate whether or not there has been an error, the following are true:

- (1) We cannot try to collect the amount in question, or report you as delinquent on that amount.
- (2) The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- (3) While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- (4) We can apply any unpaid amount against your credit limit.

## IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Telephone us at (605) 539-1222 or write to us at American Bank & Trust, PO Box 469, Wessington Springs, SD 57382 as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- (1) Tell us your name and account number (if any).
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- (3) Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will credit your 🗻 account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our

#### PERSONAL LINES OF CREDIT/HOME EQUITY LINES OF CREDIT

We figure the finance charge on your account by applying the periodic rate to the "daily balance" of your account for each day in the billing cycle. To get the "daily balance" we take the beginning balance of your account each day, add any new purchases/advances/fees, and subtract any unpaid finance charges and any payments or credits. This gives us the daily balance.
